Real World Endo Presents:

“New Dimensions in Endodontics”

Lecture & Hands-On

Date: May 17, 2013  
Time: 8:30am – 3pm  
Fee: $79  
6 AGD CE Units

Lunch included  
Please RSVP to Julie at 708-479-1212 or TechnicDental@sbcglobal.net  
Refunds will be issued if registration is withdrawn before 5-10-13

- How to create straight-line access to expedite the endodontic process
- Discover how endodontics can be precision-based
- The importance of preserving coronal radicular dentin
- How to “machine” or “mill” an endodontic preparation
- The benefits of developing “endodontic synchronicity” between a machined preparation and a master one
- The multiple advantages of performing a constant 0.04 taper preparation

*For the ultimate Real World Experience, attendees are encouraged to bring two to four accessed, extracted teeth.*

**Guest Speaker: John Gatti, DDS, MMSc**

Dr. John Gatti received his Masters in Medical Sciences degree and Certificate in Endodontics from the Harvard School of Dental Medicine in 1997. During this time, Dr. Gatti went on sabbatical and received a certificate in the area of Endodontic surgery from the University of Gratz-Austria. He received his DDS degree in 1994 from the University of Missouri-Kansas City Dental School. He maintains a private endodontic practice in Kansas City Missouri. Dr. Gatti has presented and published his research in the area of DNA-DNA hybridization of endodontic lesions. (*Endod Dent Traumatol* 2000; 16: 197-204)

As a member of Real World Endo’s Board of Advisors, Dr. Gatti is certified to conduct lectures and seminars on Precision-Based Endodontics.

Technic Dental Lab is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing dental education programs of this program provider are accepted by AGD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 7-1-2011 to 6-30-2015.

Course will be offered at Technic Dental Lab Learning Center ● 11555 West 183rd Place, Orland Park, IL 60467
